We use fresh produce and cook food to order. This sometimes means that there is a longer delay than you are used to. If you are in a hurry, please ask when ordering. We normally lightly cook our vegetables and serve some meats pink. If you prefer extra cooking, please ask. We endeavour to use fresh, locally sourced ingredients wherever possible. Our steaks are all from locally farmed herds of Charolais cattle, all the chicken used is free-range and all eggs are from free-range hens.
